However, BASIS Flagstaff may disclose appropriately designated "directory information" without written consent, unless you have advised BASIS Flagstaff to the contrary in accordance with BASIS Flagstaff procedures. The primary purpose of directory information is to allow BASIS Flagstaff to include this type of information from your child's education records in certain school publications. If you do not want BASIS Flagstaff to disclose directory information from your child's educational records without your prior written consent, you must notify BASIS Flagstaff in writing prior to the first day of the student's enrollment.
